## Fluke® TiR Thermal Imager

The future of Infrared Cameras has finally arrived! This new Fluke® TiR Thermal Imager is the perfect Infrared Camera for any building application such as inspection, restoration, remediation and roofing applications which makes it perfect for any budget!

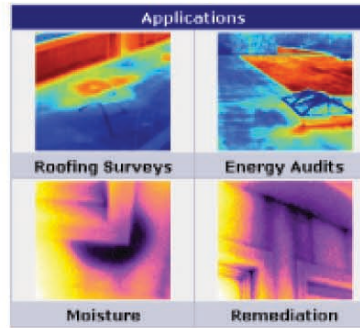

**In Stock: Yes****Part number: 007-3369-00**

Quantity Purchased	Price
1 or more	\$4,495.00

Qty:  [Email a Friend](#)[Features](#)[Specifications](#)[Documentation](#)[Videos](#)

Comes with patent-pending IR-Fusion Technology, which provides enhanced problem detection and analysis capabilities through the blending of visual and infrared images in various different viewing modes; including Full IR thermal, picture-in-picture, or automatic blend visual and thermal images.

Rugged and reliable, Engineered to withstand a 2 m (6.5 ft) Resistant to dust and water, tested to an IP54 rating. Temperature range and thermal sensitivity optimized for building diagnostics applications. Excellent thermal sensitivity for seeing even small temperature differences. Intuitive, three-button menu is easy to use, simply navigate with the push of a thumb. Everything needed to get started is included. The powerful, easy-to-use SmartView full analysis and reporting software. Two-year warranty.
